

UNI-EX

Handheld rechargeable EX PROOF LED work light

UNI-EX is a very sturdy, rechargeable COB LED work light for the professional user. The COB LED light provides a unique powerful and completely uniform illumination which is ideal for working light.

The extremely durable UNI-EX lamp features a sturdy surface to resist wet and dirty workshop environment. The shape and surface of the lamp provides a comfortable, ergonomic grip.

Place the lamp everywhere you want during inspection work with the turnable sturdy hook or the strong built-in magnet in the bottom to have both hands free for working. The flexible lamp head tilts up to 180 degrees.

UNI-EX is designed to carry in the pocket or in the work belt by the built-in belt clip. In this way, you always have the work light close at hand when you need efficient and bright illumination for a job.

The lamp is recharged in the charging base. When not in use, you keep the lamp in the charging base which is prepared for wall mounting.

UNI-EX is supplied with both mainlight and toplight. The main light offers two-step operating options depending on the type and duration of the work carried out: Step 1 = 50 %, step 2 = 100% light output. Up to 6 hours' operation time.

The intelligent battery indicator at the back keeps you informed about the battery level. To display battery level during use, press on/off switch 3 seconds.

SCANGRIP EX work lights are approved and certified by

according to the ATEX Directive no. 2014/34/EU effective from April 2016 and according to
